Cost of Care

Choosing a care home can be a difficult time, understanding the types of care available and how the fees will apply to you.

The fees can vary according to whether you will be Self Funded or Local Authority funded and also on the individual and their care requirements.

Shaw healthcare offer a personalised care plan to ensure all of your needs are fully catered for. We can help you with calculating the cost of care through a Care Assessment to determine what your fees will be.

TESTIMONIAL

We cannot praise the staff highly enough since mum has been in Petersfield. They always have mum's well-being first. They work so hard to include them in the day to day activities.

Sometimes we only hear about the horror stories, but we never hear the good things the staff at most care homes do in their day to day job. We have the highest regard for all member of staff at Petersfield, for the way they have looked after our mum. Many thanks to all of them.
