# Cost of Care

Choosing a care home can be a difficult time, understanding the types of care available and how the fees will apply to you.

The fees can vary according to whether you will be Self Funded or Local Authority funded and also on the individual and their care requirements.

Shaw healthcare offer a personalised care plan to ensure all of your needs are fully catered for. We can help you with calculating the cost of care through a Care Assessment to determine what your fees will be.

## TESTIMONIAL

The home is light, warm & welcoming to everyone. We can visit whenever we like and are always welcomed by staff and residents so that it always feels like a pleasure when I go in 3 times a week. Mum's room is lovely and the ratio of carers to residents is really good with the 'carers' living up to their name!

They work hard to keep the residents as mobile as possible and I have never heard a cross word from one of them. I have been so impressed by the level of care that I have recommended The Grove to a lot of other people
