- Movie nights

Dining experience

Our trained chefs prepare all meals on site with a focus on homemade freshly prepared meals and can cater for all dietary requirements including, diabetics, ethnic & cultural, dysphagia, allergies etc

The menu, compiled in conjunction with Dieticians, rotates on a monthly & seasonal basis to ensure a balanced diet, a variety of cuisines and daily options.

We ensure we include traditional British mealtime favourites and make changes based on the feedback and suggestions of our residents.

There are communal dining areas which are light and airy where you can socialise or have the option of eating in your room.

About Shaw

We are a leading national care provider established in 1986 to deliver specialist care in a community based environment.

We successfully continue to do so with our 4600 employees, who own the vast majority of our company, spread across our 80+ locations services including care homes, community living and specialist services.

Our ethos is to be respectful of customers' dignity and privacy whilst maintaining professional levels of care, catering, safety and related support. We know that engaging and stimulating our customers in a clean, homely and comfortable environment improves wellness and happiness.

Our goal is to enable customers' independence, self-reliance and interaction with their community; we want our customers to feel they have control and to provide peace of mind for them and their loved ones.
