WELCOME

**Hi, I'm Jacqueline Ryan,
Service Manager at Wood House.**

I manage a team of 65 who support me in running a service that aims to deliver the type of care that we would want for our own loved ones.

My deputy, team leaders, nurses, domestics, cooks and maintenance operatives ensure that we have considered all angles of making Wood House as much of a "home" as possible.

ABOUT

Wood House, Southmead, Bristol, opened in July 2003 and has eight self contained apartments and eight ensuite bedrooms, with spacious open plan communal areas.

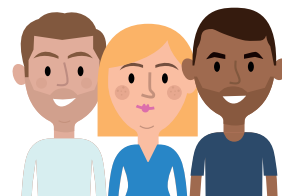

Wood House was designed to meet the needs of people with complex needs and challenging behaviours and there are excellent facilities including a Sensory Room, gardens, and life skills kitchen all within modern, bright colourful surroundings.

TESTIMONIAL

All staff work very hard to provide the best experience and meet the specific demands and needs of the service user.

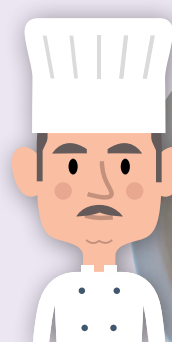

This is the best home he has had during 60+ years of being in care. They review and adapt care to respond to changing needs. Communication is good.
