Service Manager at Greenhill.**

I manage a team of 60 who support me in running a service that aims to deliver the type of care that we would want for our own loved ones.

My deputy, team leaders, nurses, domestics, cooks and maintenance operatives ensure that we have considered all angles of making Greenhill as much of a home.

Cost of Care

Choosing a care home can be a difficult time, understanding the types of care available and how the fees will apply to you.

The fees can vary according to whether you will be Self Funded or Local Authority funded and also on the individual and their care requirements.

Shaw healthcare offer a personalised care plan to ensure all of your needs are fully catered for. We can help you with calculating the cost of care through a Care Assessment to determine what your fees will be.

TESTIMONIAL

My mother has been a resident for the last 3 years and is very settled and content. The staff have always been very caring and we have a welcome on our visits. The home is kept very clean and residents are very well catered for physically. Staff are keen to keep the residents stimulated mentally by activities, outings and awareness of current events. We can't thank them enough.
