Welcome to Croft Meadow

Croft Meadow Care Home is a care development that has been set up to provide advanced elderly care from the pleasant West Sussex village community of Steyning.

Some of the advantages residents have from choosing this care home include assisted bathrooms and walk-in showers, passenger lifts and spacious communal areas organised with a good social lifestyle in mind.

Together with accepting long-term elderly care admissions, Croft Meadow has the expertise to care for people with nursing and respite needs, as well as for dementia and sensory impairment. Two Activity Leads are in place who provide a range of different activities throughout the week.
